

GUIDELINES FOR E- POSTER PRESENTATION

The paper should address: Original Research and Review Articles from the Field of Pharmacy

The abstracts for the E- Poster Presentations should be limited to 250 words including objectives, method, conclusion & key words with line spacing 1.5.

Selected papers will receive the template for the e-poster in their respective E. mail ids as well as their college email ids along with the instruction for poster preparation.

Abstract should be mailed to: **pharmacologyncp4@gmail.com**

Best presentations will be awarded with a cash prize and a certificate

PATRON

His excellency Mar George Madathikandathil
Bishop, Kothamangalam Diocese

MANAGER

Rev. Msgr. Dr. Cherian Kanjirakombil

ADMINISTRATOR

Rev. Fr. Jos Mathai Mailadiath
Administrator, Nirmala College of Pharmacy

CHAIRMAN

Prof. Dr. Dhanaraj S A
Principal, Nirmala College of Pharmacy

CONVENOR

Prof. Dr. Bharat Mishra
Head, Department of Pharmacology
Nirmala College of Pharmacy

COORDINATORS

Ms. Anusha Shaji
Ms. Anu Sebastian
Ms. Aleesha R
Assistant Professor
Department of Pharmacology
Nirmala College of Pharmacy

ORGANIZING COMMITTEE MEMBERS:

Prof. Dr. S. Kuppaswamy
Dr. Deepa Jose
Dr. Manju Maria Mathews
Dr. Badmanaban R
Dr. Shaji George
Dr. Suja Abraham

Important Dates

Conference Date: **28-29 February 2020**
E- Poster Abstract Due Date: **February 03, 2020**
Acceptance information: **February 08, 2020**

FOR REGISTRATION ASSISTANCE

Dr. Bharat Mishra : 72 75 90 25 55
Ms. Aleesha R : 81 29 51 01 83

FOR ACCOMODATION ASSISTANCE

MODULE 10

A Paradigm Shift for Emerging Paraphernalia in Advancement of

Cancer

2020 February 28, 29

Research

OUR SCIENTIFIC PARTNER:
"WORLD JOURNAL OF
CURRENT MEDICAL AND
PHARMACEUTICAL
RESEARCH"

An effort to make
participants work
more visible.

Organized by
NIRMALA COLLEGE OF PHARMACY
Muvattupuzha, Ernakulam, Kerala

ABOUT THE COLLEGE

Nirmala College of Pharmacy (NCP) was established in 2004 by Kothamangalam diocese. The infrastructure added to the ambience of the institution for higher learning. Experienced faculty with a passion for teaching and learning is the backbone of the Institution. Courses offered in the Institution are B.Pharm, M.Pharm and Pharm.D

ABOUT NILA

Nirmala Ignites Learning Aspiration

The theme NILA paves way to achieve the educational objectives for molding the students to meet the latest updates and professional challenges.

CONFERENCE OUTLINE

The broad objective of this conference has a major objective to discuss the emergent need to provide the targeted treatment methods and understanding of common and specialized cancers in a state like KERALA, with the highest number of reported cancer patients. The impact of the symposium will further to enlighten the aspirants with recent advances in cancer diagnosis, cancer therapy and pharmacology around the world and to sharpen the related ideas about cancer research.

All the sessions have been planned to be more interactive in nature, where the participants will have ample opportunities to communicate with experts from different fields

REGISTRATION FEE

Muvattupuzha Branch
A/C No: **10246054746**
IFSC: **SBIN0008652**

SCIENTIFIC SESSION

Cancer Research

28TH FEBRUARY 2020

8.30am: **Registration**

9.30am: **Inauguration**

10.00am: **Plenary Lecture 01**

Topic: Advancement in early detection and treatment of common cancers

Speaker: Dr. V P Gangadharan

Senior Consultant and HOD of Medical & Paediatric Oncology,
Lakeshore Hospital, Ernakulam

11.30-11.45am: **Tea break**

11.45am: **Plenary Lecture 02**

Topic: Liposomal formulation of DNA alkylating drugs using anti-ligase therapeutic lipids"

Speaker: Dr. Bathula Surendar Reddy

Scientist C, CSIR – IICT

1.15pm-2.15pm: **Lunch Break**

2.15pm: **Plenary Lecture 03**

Topic: Advances in Gynaecological Cancer

Speaker: Dr. Nobil Skaria

Senior Oncology Clinical Pharmacologist, Aster Medicity

3.45pm: **Closure & Tea break**

29TH FEBRUARY 2020

09.30am: **Plenary Lecture 04**

Topic: Stroke research at the cross roads: Preclinical aspect

Speaker: Dr. Devandra Singh

AIIMS, New Delhi

11.30-11.45am: **Tea break**

11.45am: **e- Poster Presentation Session**

1.15pm-2.00pm: **Lunch break**

2.15pm: **Workshop**

Topic: Hands on training on "Target protein for cancer treatment: Docking techniques

Speaker: Alexander Ronaldo Anuf

Kamaraj College of Engineering & technology, Dept. of Biotechnology

3.45 pm: **Valedictory Function**
