About the University:

Bharath Institute of Higher Education and Research (BIHER) is providing multi- stream, multi-cultural and high quality education to nearly 10000 students from around the worlds. It is functioning in a sprawling area of 603 acres of land with 1.3 Crore square feet building located in 6 campuses both in Tamilnadu and Puducherry with the state of the art infrastructure facilities.

About the Faculty of Pharmacy:

Faculty of Pharmacy Bharath Institute of Higher Education and Research (BIHER) is a reputable institution located in a multilevel building with well-equipped research laboratories. The college offers a 4 year B Pharm course and 2 year D Pharm course. Faculty of Pharmacy, since its inception has been performing exceptionally good to meet, its goal of providing quality pharmaceutical service to the society.

Vision:

To educate students to meet global standards, challenges and opportunities in the field of Pharmaceutical Education and Research.

Mission:

To develop highly skilled professionals in Pharmaceutical health care sectors & enriched with excellent abilities in communication, research & services enabling them to get connected to universal opportunities. To provide research facilities, which motivate students & faculty members to take up research projects.

About the Conference:

This two-day International Conference is aimed for motivating the academicians and young researchers to achieve quality in education and research. The invited speakers are we renewed and great expertise in their respective field. The topics of discussions are tailored in such a way to focus the most critical aspects of pharmaceutical education, industry and research. A peer reviewed scientific session (Online and Offline platform for Oral, Poster & ePoster) is arranged for expressing the views and exposing the research of young scientists and students. This helps to inculcate not only sharing technical knowledge but also to express their innovative ideas. Thus the main objective of the conference is to provide a common platform to discuss and update the knowledge with respect to the trend setting areas of pharmaceutical education and research.
